

## **SERIES : ADT - 3001-A**

### **DIGITAL "LOOP INDICATOR" (W P) PANEL MOUNTED TYPE** comprising of following specifications

|                        |                                                                                                                                                                                |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Enclosure</b>       | : Cast Aluminum, <b>Weather proof</b> , Double sided,<br>Epoxy Powder Coated Screwed Bezel with Gasket<br>Cable Entry : ½" NPT (F)<br>: b) ----- (F)<br>No. of Entry : 02 Nos. |
| <b>Display</b>         | : a) 3½ Digit 7 Segment ½" height LCD<br>b) 4½ Digit 7 Segment ½" height LCD                                                                                                   |
| <b>Input</b>           | : 4 - 20 mA                                                                                                                                                                    |
| <b>Input Impedance</b> | : <100                                                                                                                                                                         |
| <b>Display Output</b>  | :                                                                                                                                                                              |
| <b>Power Supply</b>    | : 24 VDC Loop Powered                                                                                                                                                          |
| <b>Accuracy</b>        | : ±0.25% FSD, ±1 digit of the span                                                                                                                                             |
| <b>Voltage Drop</b>    | : 2 V typical                                                                                                                                                                  |
| <b>Over Range</b>      | : Indicate "1" with other digits blank                                                                                                                                         |
| <b>Zero &amp; Span</b> | : Through a Preset                                                                                                                                                             |
| <b>Mounting</b>        | : 2" Pipe mounted                                                                                                                                                              |
| <b>Accessories</b>     | : 2" Pipe mounting clamp.                                                                                                                                                      |
